INTERNO 9

Immagina un complesso architettonico con uno stile moderno, minimalista, dove lo sguardo incontra strutture lineari, armonie di volumi, contrasti materici, anche su grandi superfici. L'eleganza della semplicità si amalgama all'irriverenza indomita del metallo che, con affascinante rudezza, si fa protagonista del paesaggio. Interno 9 si completa con WIDE, il nuovo programma di grandi formati in soli 7 mm di spessore.

Imagine a contemporary residential complex with a minimalist feel, where the viewer's gaze is drawn to linear structures, harmonious forms, and contrasting textures. Stylish simplicity is paired with the untamed irreverence of weathering steel, which - with a stunning coarseness - becomes a key feature of the landscape. Interno 9 is complemented by the new WIDE series of large sizes in a thickness of just 7 mm.

INTERNO 9

MATCHING MATERIALS

Attraverso le molteplici ispirazioni offerte dalla gamma ABK, è possibile personalizzare ogni ambiente donandogli una sensazione materica sempre differente.

Metallo, pietra, marmo e legno si combinano sapientemente tra loro, dando vita a sorprendenti contaminazioni stilistiche per architetture estremamente contemporanee.

The many inspirations behind the ABK range can be used to customise any space and create constantly changing material effects.
Metal, stone, marble and wood are skilfully combined to create a surprising crossover style ideal for highly contemporary architectural solutions.
